PART I. REGISTRANT INFORMATION

Full name of registrant: MIDWEST ENERGY EMISSIONS CORP.

Former name if applicable: N/A

Address of principal
executive office
(Street and number): 1810 Jester Drive

City, State and Zip Code: Corsicana, Texas 75109

Part II. RULES 12b-25 (b) AND (c)

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check appropriate box.)

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;
- (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, Form 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the 15th calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q or subject distribution report on Form 10-D, or portion thereof will be filed on or before the fifth calendar day following the prescribed due date; and
- (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

PART III. NARRATIVE

State below in reasonable detail the reasons why Form 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Our Annual Report on Form 10-K for the year ended December 31, 2022 cannot be filed within the prescribed time period without unreasonable effort or expense because we require additional time to complete the presentation of our financial statements to be included therein, and to insure adequate disclosure of certain information required to be included in the Annual Report. We expect to file the Annual Report within the extension period provided under Rule 12b-25 of the Securities Exchange Act of 1934, as amended.

PART IV (3)

We generated revenues of approximately \$21.6 million and \$13.0 million for the years ended December 31, 2022 and 2021, respectively. Such revenues were primarily derived from sorbent product sales. The increase in revenues from the prior year was primarily driven by increased sorbent product sales due to the increased supply demands in the coal-fired market as well as expansion of our customer base.
