**PART IV (3)**

We generated revenues of approximately \$4,112,000 and \$5,129,000 for the three months ended June 30, 2023 and 2022, respectively, and approximately \$7,124,000 and \$8,470,000 for the six months ended June 30, 2023 and 2022, respectively. The decrease in revenues from prior year periods is primarily due to the decreased supply demands from our customer base in the first six months of 2023, offset by an increase in licensing revenues for the six months ended June 30, 2023.
